

BBT Bus Features and More...

Global Positioning System (GPS)

All BBT buses are equipped with GPS tracking devices. These devices enable live tracking of vehicles and students' movements on real time basis.

Benefits

- High level of safety for students inside the buses.
- Adherence to Schedule
- Monitoring Driving behavior

Electronic Attendance

All the buses are fitted with scanners. Students are issued with Bar Coded ID cards and their boarding / de-boarding are captured on real-time basis.

Benefits:

- Accurate attendance
- Students dropped at right stop
- Ensures no child is left unattended inside bus
- Travelling in different buses (by mistake) avoided

Video Surveillance System

All BBT buses are installed with Video Surveillance System (CCTVs). The system provides recording on the purpose built rugged Digital Video Recorder (DVR)

Benefits:

- Children are protected from physical deterrent & enhances safety
- Enforces student behavior code
- Evidence recorded & improves investigations

Sleeping Child Check Button

Leaving a child unattended inside the bus is a biggest challenge faced in the school transport system which is eliminated through the concept of No Passenger Board or Sleeping Child Check Button.

Panic Button

To invite immediate attention and support during any emergencies

Control Room Operations

The exact location of the bus, the entry, exits of all students etc. is monitored live on the state-of-art control room screen from the beginning to the end of the journey. In case of any traffic or delay, all parents are updated via SMS informing them about the delay.

Female Bus Attendants

All BBT Buses have female bus attendants.

The Best Trained Drivers

BBT drivers rank among the best-trained commercial vehicle drivers on the road internationally.

They undergo:

- At least 80 hours of training in technical skills, bus environment management, student discipline and customer service during the first year of employment.
- Training in an internationally renowned Training company, organized by the RTA
