

COLLEGE PLANNING TIMELINE for ...

Grade 10 SOPHOMORES

You survived your first year of high school! The focus of this year is to keep up the hard work as you are moving closer to graduation.

All Year

- **Take the most challenging courses possible.**
- **Keep your grades up.** If you need to improve in some subjects, this is the time to start.
- **Stay involved** in school activities and pursue leadership positions.
- **Take the PSAT** (practice SAT) offered in October as early practice.
- **Meet with your counselor** to discuss course requests for the next school year.
- Start exploring career choices.
- **Explore summer opportunities.** Look for a job, internship or volunteer position that will help you learn about a field of interest or an academic enrichment course.
