

Dress Code and Uniform

The aim of our uniform is for students to present a neat, work-like appearance at all times and to take pride in being members of GEMS American Academy. In accordance with ADEC policy, the school's uniform is compulsory and should reflect the school's commitment to honor UAE traditions, culture and religion.

The GAA uniform supplier is *Threads*. Parents are able to purchase the uniform directly from the school until a retail outlet becomes available. It is possible to order online from www.threadsme.com.

All uniform items, including bags, lunchboxes, water bottles and other personal belongings should be clearly labeled at all times. This will aid in the swift return of misplaced belongings.

Appearance

- Full and correct GAA uniform must be worn at all times. This includes travelling to and from the school.
- Full and correct GAA uniform must be worn during after school activities (ASA's) and when embarking on school trips (unless otherwise instructed by a member of staff in writing).
- Ties should be tied in a small neat knot that covers the top button.
- GAA sweaters may not be tied around the waist at any time.
- Non-regulation outerwear may not be worn in school; it should be kept in lockers.
- Students may wear a watch.
- No excessive make-up or jewelry is allowed.
- Girls may wear one small stud or tiny hoop earring in each ear lobe and these should be removed for PE and swimming.
- Jewelry of religious significance is subject to written approval by the school (and following a formal request from the parent).
- Students should wear full school uniform to all *Parent Teacher Consultations* and other formal school events.
- Students may not wear school uniform when involved in social events unrelated to the school.

Hairstyles

Hairstyles should be neat, tidy and professional. The sensible use of hair accessories is acceptable to keep hair orderly and neat eg. Alice band, hairband, clips, slides, elastic bands etc. as long as they are plain white, dark blue or black.

Student's hair must be of a natural color rather than bright, obvious or "unnatural", and be neat and of a modest style. Hairstyling products (non colored gel, wax, mousse etc.) can be used to style hair in a neat and tidy manner, but not to create exaggerated hairstyles, for example, spikes. If a hairstyle contravenes these requirements the student will be requested to amend this with immediate effect and if this is not possible they will be required to remain at home until such time as their hair has returned to an acceptable condition.

GAA may not require uniforms while participating in after or out of school activities or on designated special dress days. However, students should be properly dressed in a manner that is not offensive to host country. The following rules will apply:

- **No tight clothes**
- **No spaghetti strap shirts**
- **No exposed mid-riff**
- **No hoodies**
- **No offensive logos or expressions on clothing**
- **No skirts/ shorts above the knee**

The Secondary Administration may require a student to return home for the purpose of changing clothing. Our policy is: Wear clothing that is respectful to yourself and others.

The only excused uniform violation should be by way of parental notification to the Secondary Office before the start of the school day. The consequences for violation of the uniform policy range from after school detention or out of school suspension
